The March meeting was in charge of James V. Yingling, president.

For patrons one and all.

I thought that men were widely known. And all had reached the top When they had mugs to call

their own In some one's barber shop, I used to read the names aloud While sitting in the chair And always I was very proud To find my father's there

I wondered as I silent sat The while he clipped and sheared,

If I'd deserve a mug like that When I should grow a beard. But no! Since I was born too

Such fame I never knew.

#### THOUSANDS PREFER PLYMOUTH'S STYLING IN NATION-WIDE SURVEY!

A well-known independent research organization asked thousands of peoplein New York, Chicago, Detroit, Atlanta, Dallas, Los Angeles—to compare the appearance of '55 models of the three low-price cars. Opinions were received from men and women-from people of all ages-from owners of all the different makes of cars. The results of this survey have been summarized below.

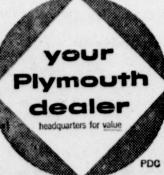

### HERE'S WHAT OTHERS THOUGHT OF PLYMOUTH !

Compared with low-price car "A"		Compared with low-price car "B"		
Plymouth is better looking	62%	Plymouth is better looking	66%	
Car "A" is better looking	16%	Car "B" is better looking	17%	
		Again, almost 4 to 1 for Plymouth!		
		(17% liked "both about the same")		

Plymouth dealers are listed under "Automobile Dealers-Plymouth" in your Classified Telephone Directors

#### HERE'S WHY YOU'LL PREFER PLYMOUTH, TOO!

Plymouth '55-with THE FORWARD LOOK-is the only low-price car to offer you honestly new styling, instead of a mere face-lifting.
